Ts&Cs

IMPORTANT BITS

- 59club venues may be withdrawn, replaced, added to at any stage of the program without any effect to a membership rate.
- The membership applies to all UK golf courses. All overseas golf courses carry a charge. Full details are on the website.
- You will not advertise, promote, sell or donate any 59club tee time without 59clubs permission and its approval of any artwork or marketing material.
- 59club membership and the terms of membership are confidential and are bound by the NDA document on the website, payment of the annual/monthly fee signifies acceptance of these terms.
- Subject to 59club negotiations with venues there may be restrictions on usage re days of the week or times allowable for golf. The allowance is a maximum of 1 x 4 ball per day subject to availability of both the course and 59club member usage.
- You do not have to attend with every tee time – you may allow guests to play on your behalf, but they and their behaviour are your responsibility. They are not only representing your company but 59club also.
- The product cannot be used as an individual membership at any of its clubs and 59club reserve the right to impose a restriction, prevent play or even cancel a membership without refund of any fees if it is being used this way.
- All bookings are to be made via the 59club web portal using your password. This password is provided for your own personal use and must not be given to anyone else to use. 59club will grant two access codes to each member and will accept phone bookings from two designated persons.
- Bookings can be made up to 30 days in advance at virtually all golf courses, some however may operate on a shorter booking period, these will be shown on the booking system.
- If you require a booking outside of these terms it can be logged as a request but cannot be confirmed.
- The membership at all venues is 59clubs and you will not call or contact the venue to amend/change/cancel the booking; this is to be done by contacting 59club via email or phone if short term cancellation.
- We reserve the right to restrict weekly usage for each member where golf courses are approaching 100% daily usage to enable all members to play. Any no show for a booked tee time will be charged at the prevailing members guest rate or full green fee rate if levied by the venue.
- 59club operate a 'Fair-Play' policy which restricts the usage of the same venue by the same member on multiple occasion in a calendar month. 59club will look to instigate this policy once a member reaches three bookings.
- Vouchers can be issued on your behalf for gifts, auctions or to support other events where you see fit, 59club reserve the right to restrict the number of vouchers and terms on the vouchers to enable golf usage to be controlled.
- The joining fee is non-refundable or transferable, the monthly fee is based on a 12-month contract running from your start date.
- *General use at The Belfry excludes the Brabazon course and Celtic Manor excludes the 2010 course, however there will be a minimum of 1 x tee time per annum to use at these and a number of other courses where 59club have restricted access. Currently these are: The Brabazon, Celtic 2010, Gleneagles, The Grove, Moor Park GC.
- Overseas courses – all courses outside of the UK & Ireland can be accessed via 59club's booking system under its normal rules. There will be a minimum charge from €35pp at ETD venues or a minimum of £150 per fourball at all other overseas venues. This will be invoiced on a monthly or quarterly time-frame subject to your usage levels.
- Payment is permitted on a monthly basis; however, your contract is for a 12-month period and one single invoice will be issued for that period with the relevant payment dates issued.

delivering service excellence

THANK YOU
